

His firm is going slowly on AI because of Section 7216.

A CPA, August 2026 (paraphrased)

He's right to go slowly.

3 questions for the vendor, inside →

26 USC 7216

Knowing or reckless misuse of return data is a crime: up to a year in prison.

GET IN WRITING FROM THE VENDOR

- 1 Where it processes files, and who can see them
- 2 Whether your client data trains anything
- 3 When it deletes the files
